

💖 Happy Birthday to my Bestestttttt Friend 💖

🎉 HAPPIEST BIRTHDAY TO THE MOST CHINDIEST PERSON I HAVE EVER MET! 🎉

On your special day I wish all the best wishes and happiness in your life. May you have the brightest future ahead and may you always keep smiling... you are a gift to me! I can never imagine my college life without you now... you are very special for me. Mujhe lagta tha ki bs yhi hai mujhe ese hi college mai akele ghoomte rehna pdega or wait krni hogi ki kb meri dost free ho or mai uske pass jau — phir tu mil gya.

Pehle mujhe lgta tha ki meri life mai mere doston ki kami पूरी krne wala insaan hai tu aur mai bahut grateful thi iske liye bhi lekin ab tu kisi ki kami पूरी krne ke liye nahi hai meri life mai — tu khud ek important insaan hai mere life ka.

Tere sath har time healing, comfort aur security se bhara hota hai. Mujhe nahi lgta hai maine ab tak apne ghar walon ke alawa kisi aur par itna chilaaya hai bina awkwardness ke jitna tujh par chilaaya hai maine aur best baat to yeh ki tu sun bhi leta hai bina ego ke!

Bohot patience hai tujh mai... lekin... lekin... tera mood bohot chalne laga hai mai bata rahi hu birthday wish gayi side par, ise warning hi samjh! Thoda dhang se reh liya kar mere sath jese pehle rehta tha, ab to bht chillane laga hai.

Mai itna chunchun nahi karti jitna tu karne laga hai huhh! Baaki birthday ke liye yeh mera ek chhota sa gift hai jisme bohot mehnat lagi hai, aur isi ke chakkar mai tujhe bye bolke idhar aa gayi Tujhe itna pata hai ki mai project bana rhi hu, lekin tu nahi jaanta tha ki tera hi birthday project hai yeh!

Tu bohot acha hai yrrr... Happy Birthday mere chindi! 🎂💖

Chal ab khush ho ja, itna pyara gift diya hai tujhe maine! 💖🎁
